

IMPACT

ILL MEDICAL PATIENTS'
ACUTE CARE &
TREATMENT

IMPACT COURSE REGISTRATION FORM

The **IMPACT** course is a two-day course introducing the principles and practice of acute medical care and related knowledge, skills, understanding and attitudes. Designed by the Federation of Royal Medical Colleges and the Royal College of Anaesthetists, this course is endorsed by the Resuscitation Council UK, the Intensive Care Society and the Society of Acute Medicine.

IMPACT enables trainee doctors (specifically trainee physicians) to assess and treat acutely unwell patients and where appropriate gives guidance on when to ask for help. The course is aimed at **CT1 and CT2 level doctors** in acute medical specialties including Acute Medicine, Acute Care Common Stem (ACCS) and General Internal Medicine.

The course is also open to FY2 level doctors who are able to demonstrate a particular interest in pursuing a career in the medical specialties noted above. FY2 doctors must have completed at least eight months practice in acute medical specialties in their FY2 year before they can attend the course.

IMPACT Course Terms and Conditions

You should have successfully completed an **Advanced Life Support (ALS)**[®] course before you attend an IMPACT Course. IMPACT does not deal with cardiac arrest procedures.

When you register for the IMPACT course you are entering into a contract with the course organisers therefore **you must attend the whole course and complete the pre-course online SIMPACT learning package.**

SIMPACT is an educational tool that will help you prepare for the two-day IMPACT Course. You will have a minimum of four weeks to work through the SIMPACT package. **SIMPACT must be completed** no later than 7 days prior to the course. If this is not completed within the required timeline you may lose your place on the course and the fee paid. The Course Director has final say on attendance.

I confirm that in signing this registration form I have read, understood and agreed to the terms and conditions.
