

# Preparation & Tele-Education

Colville Laird.

Medical Director – BASICS Scotland

# Aims

- Provision of Equipment
- Preparation of candidates

# My Work

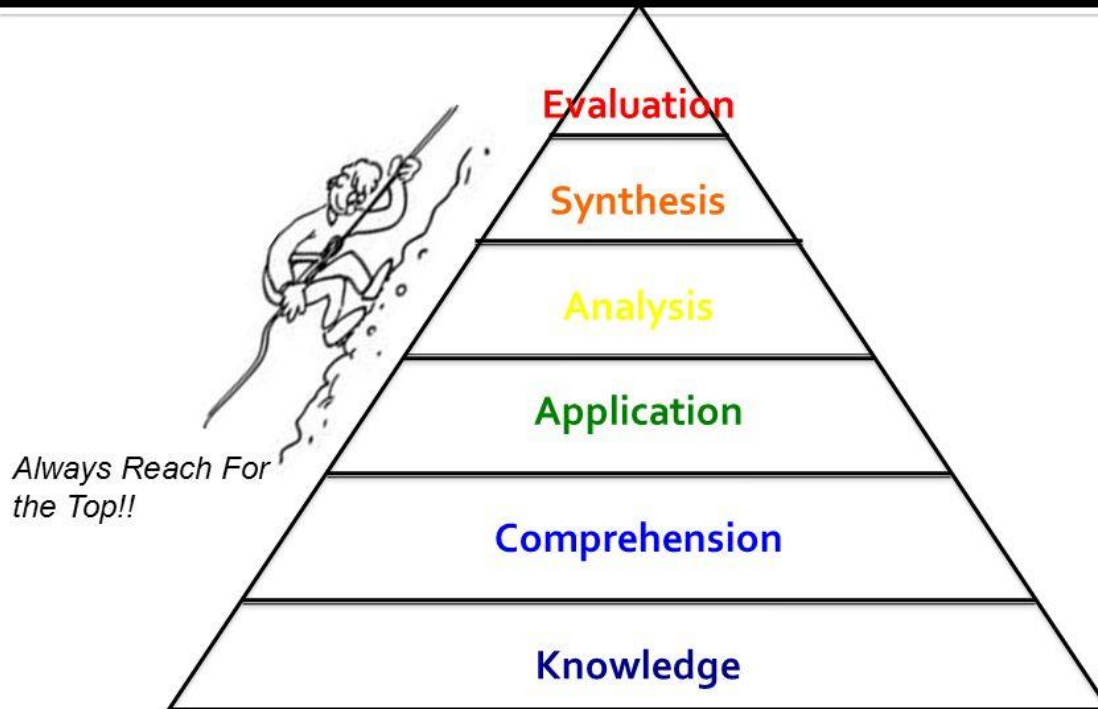

# Remote Practitioners

- Cost of travel
- Need for refresher training
- Taxonomy Climbing
- ASPiH 2017 – talk of Teaching v Practice

# Taxonomy Climbing

## Bloom's Taxonomy

# Tele-education

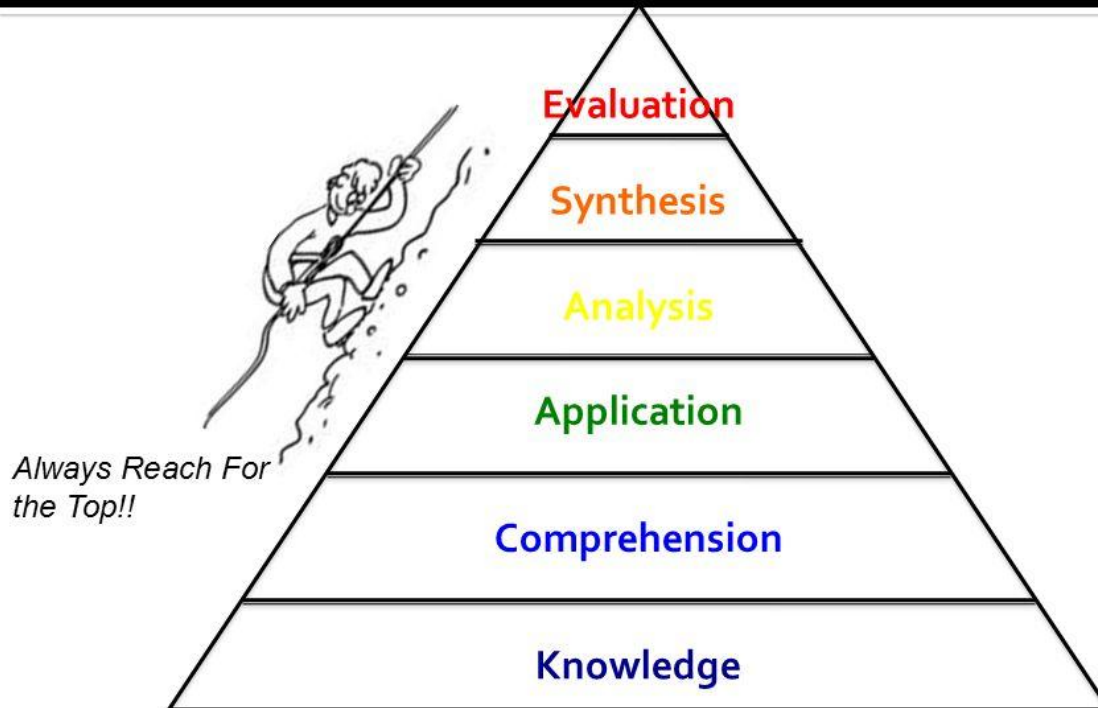

To climb the taxonomy pyramids

Savings very significant

Most watch recordings

# Other Methods of Taxonomy Climbing

## Bloom's Taxonomy

# Skills training using Video-conferencing

- Poor results due to borrowing equipment
- Pods more successful

The Sandpiper Trust

# Way Forward

- Short teaching sessions
- Interactive
- Available on any platform

# Thoughts

- Is your training equipment well prepared?
- Are your candidates well prepared?
- Is candidate preparation important to you?
