

# Vascular Anastomosis

## *Techniques*

An innovative and dynamic practical course designed to introduce and establish vascular anastomosis techniques

**This one-day course will run on the following dates:**

Thursday, 5 Oct 2017

Wednesday, 21 Feb 2018

Wednesday, 30 May 2018

*Raising standards, Advancing excellence*

ROYAL COLLEGE OF  
PHYSICIANS AND  
SURGEONS OF GLASGOW

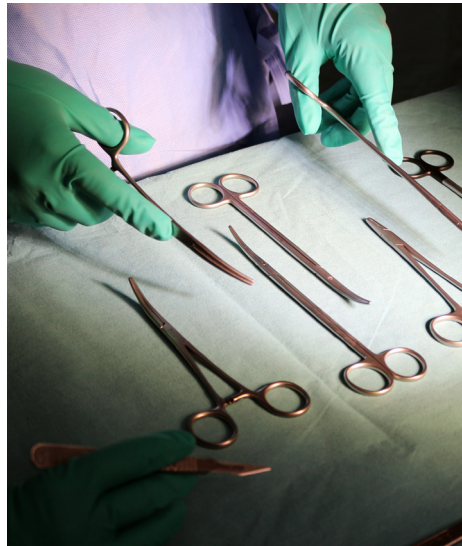

**SURGEONS**

# Objectives

This one day course provides exposure to the theoretical principles and practical techniques of vascular anastomosis. It gives an opportunity to perform a variety of surgical procedures on tissue models under the expert guidance of consultant surgeons.

*The course forms an integral part of current postgraduate surgical training and the delivery maximises learning opportunities with a high trainer to trainee ratio.*

*The course is well paced and offers sufficient time to understand procedures and undertake focused practice. Personal feedback on performance is offered with advice for further practice.*

**The vascular anastomotic techniques covered will be:**

- Prepare an artery for anastomosis*
- Fashioning synthetic vascular material*
- End to side*
- End to end*
- Parachute Technique*
- Arteriotomy Closure*
- Anastomotic leaks*

# Programme

|              |   |
