EDUCATION & EVENTS PROGRAMME

2019/2020

In 2018–2019:

62

education events were held
in Edinburgh at the College

16,800+

delegates attended our
education events in Edinburgh
and across the UK

60

countries were represented
by overseas delegates at our
symposia and courses

Welcome from Conor Maguire

At the Royal College of Physicians of Edinburgh, education is at the heart of what we do and our world-renowned programme features a range of events for physicians at all career stages.

We have over 80 events taking place around the world in 2019–2020 and our Edinburgh events are webstreamed to over 60 sites in the UK and overseas.

We also offer a flexible online learning environment through our Education Portal, which features interactive modules, challenging cases and archived talks. We also run a number of MSc programmes in partnership with other organisations.

We look forward to welcoming you to the College in person or online.

Dr Conor Maguire
Director of Education

SYMPOsia

For more details
and to book, visit:
events.rcpe.ac.uk

Our programme of symposia and conferences covers general and acute medical specialties, with an emphasis on practical clinical issues. Delivered through lectures, interactive debates and workshops, our range of events support your day-to-day practice, keeping you up-to-date with the latest research and discussions. The core clinical programme is complemented by symposia focusing on policy issues and areas of change or controversy.

There is no charge for hosting symposia at linked sites and CPD certificates are issued after each event. For more information about international webstreaming for our symposia, please email Sophie Milton: s.milton@rcpe.ac.uk

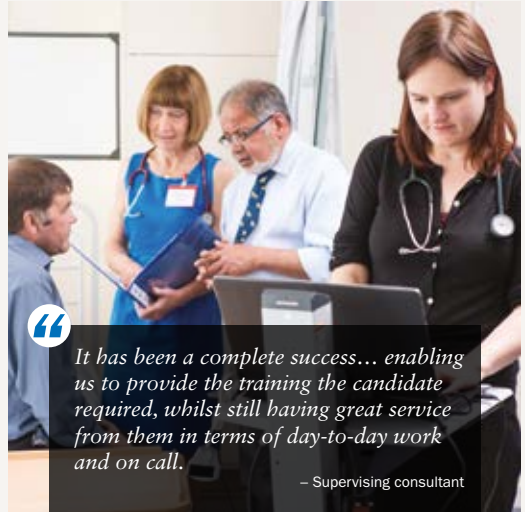

International Medical Training Fellowship (IMTF)/ Medical Training Initiative (MTI)

NHS consultants

Do you have any unfilled training posts?

Through the **IMTF/MTI**, the College works closely with the NHS to match well-qualified international (non-EU) doctors to unfilled training posts for up to 24 months.

It has been a complete success... enabling us to provide the training the candidate required, whilst still having great service from them in terms of day-to-day work and on call.

– Supervising consultant

Spending a year in another country really made me reflect on the way I practice medicine... I am a much better physician having seen different patients, different pathologies and a different style of medicine.

– Former trainee now returned home

International medical graduates

Are you looking to train within the UK's NHS?

The **IMTF/MTI** offers eligible international medical graduates the opportunity to experience up to 24 months' world-class training in the NHS.

Aimed at international (non-EU) doctors seeking higher specialty training, our MTI provides excellent UK experience in an approved training post.

We offer first-class support for trainees, including sponsoring GMC registration and visa applications, mentorship and end-of-post certification.

UK CONFERENCES

EVEN
MORE EVENTS
IN
2019-2020

We are proud to deliver a programme of conferences across the UK and local to you. These events present updates in acute and general medicine and share hot topics too. All events are CPD accredited. We also hold events in the north of England through our RCPE Manchester partnership.

All grades of medical, nursing, scientific and allied health professional staff, and medical students are welcome.

This is also a key opportunity to meet with College leaders to discuss the issues that matter to you.

EVENING MEDICAL UPDATES

PRIMARYLY
FOR
TRAINEES

Organised by our Trainees and Members' Committee and free to attend at the College or at a live stream site, our Evening Medical Update (EMU) Programme features the 'Top Medical Presentations' and 'Emergency Presentations' as defined in the General Internal Medicine training curriculum. Non-clinical topics are also covered to support you in your career.

These events are designed primarily for trainees but are open to all hospital doctors, GPs, healthcare professionals and medical students. All EMUs are held on a Tuesday evening from 6.30pm.

2019

SEPT 24	Unconscious Patient
OCT 29	Cardio-Respiratory Arrest
NOV 19	Fever
DEC 10	Acute Back Pain, Weakness and Paralysis

2020

JAN 28	Jaundice
FEB 25	Keeping Up With Modern Medicine
MAR 24	Cough
APR 28	Blackout/Collapse
MAY 26	Rash, Limb Pain and Swelling
JUNE 23	Medicolegal Challenges

For more details
and to book, visit:
events.rcpe.ac.uk

Future EMUs for 2020 will be held on
29 September, 27 October, 24 November
and 15 December. Topics TBA.

Diploma Ceremonies at the Royal College of Physicians of Edinburgh

Candidates passing MRCP(UK) are warmly invited to attend a Diploma Ceremony at the College. Taking place three times a year, these events are a fantastic opportunity to celebrate your achievement with family and friends, dine in historic surroundings and explore the College's fascinating past.

To register for a ceremony, visit events.rcpe.ac.uk

Internationally Recognised Examinations

We deliver the highest standards of healthcare through the MRCP(UK) exams in collaboration with our sister Colleges.

Doctors who wish to enter specialty training (at ST3) in the UK must hold the MRCP(UK) diploma, an internationally recognised standard of clinical excellence. You can find the dates of MRCP Part 1 and 2 and PACES centres on their website: mrcpuk.org

COURSES & WORKSHOPS

Joint MSc Programmes with the University of Edinburgh

We run joint MSc programmes with the University of Edinburgh, which are online learning courses delivered over three years, but with earlier exit points of Postgraduate Certificate (one year) or Postgraduate Diploma (two years).

MSc Internal Medicine

 @internalmeded

Primarily for doctors early in their careers, this curriculum complements the syllabus for MRCP(UK), with additional modules to advance patient management, to give practical experience in literature review, and to prepare for future improvement, research and publication.

MSc Critical Care

 @Ed_CritCare_On

This programme covers the essentials of the clinical management of critically unwell adults and will assist students in developing expertise in accessing, interpreting and integrating the findings of clinical research into clinical care.

Each year the College offers a number of full or partial scholarships for our MScs. Visit our website for details:
rcpe.ac.uk/scholarships

Gastroenterology and Hepatology Course delegate

Courses held at the College

MTI Induction/ Welcome to UK Practice Day

Tue 10 Sep 2019

Trainees through the Medical Training Initiative can attend this free event at the GMC and the College. The event features practical sessions to support you in your new role in the NHS and you will also have the opportunity to attend a welcome reception at the College.

PACES Preparation: PACES Preparatory Course

Mon 23 – Wed 25 Sep 2019

Mon 28 – Wed 30 Sep 2020

3-DAY
COURSE

To support you in preparation for PACES, we run a three-day course in partnership with NHS Lothian Clinical Skills and Assessment Centre, on which our Fellows teach.

Additionally, we will be running a number of events to support you before the first diet of PACES 2020.

Introduction to Clinical Research including Critical Appraisal

Wed 23 – Thu 24 Oct 2019

Tue 10 – Wed 11 Mar 2020

Tue 13 – Wed 14 Oct 2020

2-DAY
COURSE

Aimed at early years' medical trainees, particularly CMT2 and ST3, this two-day course will equip you with the knowledge of how research works, including study conception, funding, conduct, analysis and dissemination of results.

24th Advanced Gastroenterology and Hepatology Course

Thu 30 – Fri 31 Jan 2020

 #rcpeGIHep20

2-DAY
COURSE

This well-established course is aimed at senior medical, nursing, scientific and allied health professional staff in gastroenterology and hepatology, and features a day focused on each. Delegates can attend one or both days.

Systematic Review and Meta-Analysis Workshop

Thu 12 Mar 2020

Thu 15 Oct 2020

This one-day course provides an introduction to the process of systematic review and meta-analysis. Aimed at early years' medical trainees (CMT2 and ST3), you will receive an overview of concepts and methodology, and guidance to support further learning.

Edinburgh International Course in Medicine of the Older Adult

Mon 18 – Fri 22 May 2020

 #rcpeOlder20

5-DAY
COURSE

Run annually by the College, this popular course is designed to update experienced physicians, consultants and senior trainees in elderly medicine from across the world about developing areas in the specialty. Each of the five days has a different topic and there is an attractive social programme incorporating a medical history tour of Edinburgh.

Visit our website for up-to-date details: events.rcpe.ac.uk

RCPE Course in Acute and General Internal Medicine

Mon 25 – Fri 29 May 2020

 #rcpeAGIM20

5-DAY
COURSE

This five-day course will provide topical and relevant updates on a wide variety of acute and general medical conditions encountered by physicians worldwide. This course is aimed at physicians (consultant and senior trainee level) who wish to enhance their knowledge in these areas.

NIV/Sleep Apnoea Course

Mon 22 – Tue 23 Jun 2020

2-DAY
COURSE

Designed for respiratory consultants, physiologists, senior trainees and physicians with an interest in NIV/Obstructive Sleep Apnoea, our NIV/Sleep Apnoea course will provide an update on current hot topics and controversies.

Visit our website for up-to-date details:
events.rcpe.ac.uk

CAREER SUPPORT AND DEVELOPMENT

The College's committees are here to support you throughout your career. Our Trainees and Members' Committee supports students, trainees and SAS doctors, and our Consultant Committee focuses on helping those in their first 10 years as a consultant.

Physician Career Toolkit: Planning, Progression and Wellness

Sat **26 Oct 2019**

 #rcpeCareers19

This annual one-day conference is for higher specialty trainees, core medical trainees, foundation year doctors, medical students and those in LAT/LAS or other locum positions who are working within physicianly fields. The conference is designed to support your professional development and give you insight into a physicianly career. This event includes a range of speakers and practical workshops covering the application and training process, career pathways and progression, and wellbeing. You will also have the opportunity to meet with trainees and consultants from over twenty specialties.

For more information, contact Anne Fairbairn: a.fairbairn@rcpe.ac.uk

Medical Careers Resource

The College's Trainees and Members' Committee has published a series of videos and online personal perspectives from trainees and consultants these provide top tips for becoming a physician and guidance for choosing a medical specialty. Access the Medical Careers Resource now: rcpe.ac.uk/MCR

Preparing for MRCP(UK)

You'll find our EMUs very useful – if you can't attend the evening sessions, you can search our Education Portal for archived EMU lectures and topics of interest including specialty modules, MCQs and PACES exam videos. The Education Portal is free for Members of the College.

Top Tips for New Doctors

Tue **28 Jul 2020**

 #rcpeEMU

Taking place at the College in Edinburgh and webstreamed to over 50 hospitals across the UK, this event is timed for trainee doctors about to experience their first hospital shift. There will be three short presentations with time for questions at the end of each talk.

For more information, contact Josie Kirk: j.kirk@rcpe.ac.uk

Enhance

MENTORING FOR MEDICS

We are committed to supporting physicians throughout their careers. **Enhance**, the College's free mentoring for medics programme, creates a safe environment for clinicians to share their experiences, learn from each other and develop key professional skills.

Engage. Enable. Empower.

Enhance is open to Fellows and Members of the College and you can register to take part as a mentor or mentee on our website: rcpe.ac.uk/enhance

CONTINUING PROFESSIONAL DEVELOPMENT

CPD Diary

We run the CPD Diary primarily for physicians in the UK, though all our Fellows and Members are welcome to use it. We run the diary in conjunction with RCP London and RCPS Glasgow. The diary can help you maintain a personal and validated record of your CPD activities on an annual basis. Over 20,000 doctors use the CPD Diary and have access to this unique resource of approved CPD activities. See our website for details: rpe.ac.uk/CPD

We also approve events and online learning modules for CPD. These approved events, including those run by each of the three Colleges of Physicians, appear on the Federation's online database, which is available through the CPD Diary.

Physicians' CPD App

The Physicians' CPD app syncs automatically with your online CPD Diary and allows you to access over 5,000 approved activities that have been reviewed by the Federation's network of consultant physicians. The app is available on the iOS App Store and Google Play Store.

Physicians' CPD

SENIOR FELLOWS' CLUB

ANNUAL
MEMBERSHIP
IS ONLY **£15**

Organised by our Senior Fellows' Club, and open to all Fellows and Members, the 2019–2020 programme includes lectures, exhibitions and outings. All talks will be held at the Royal College of Physicians of Edinburgh.

Conferences and Events

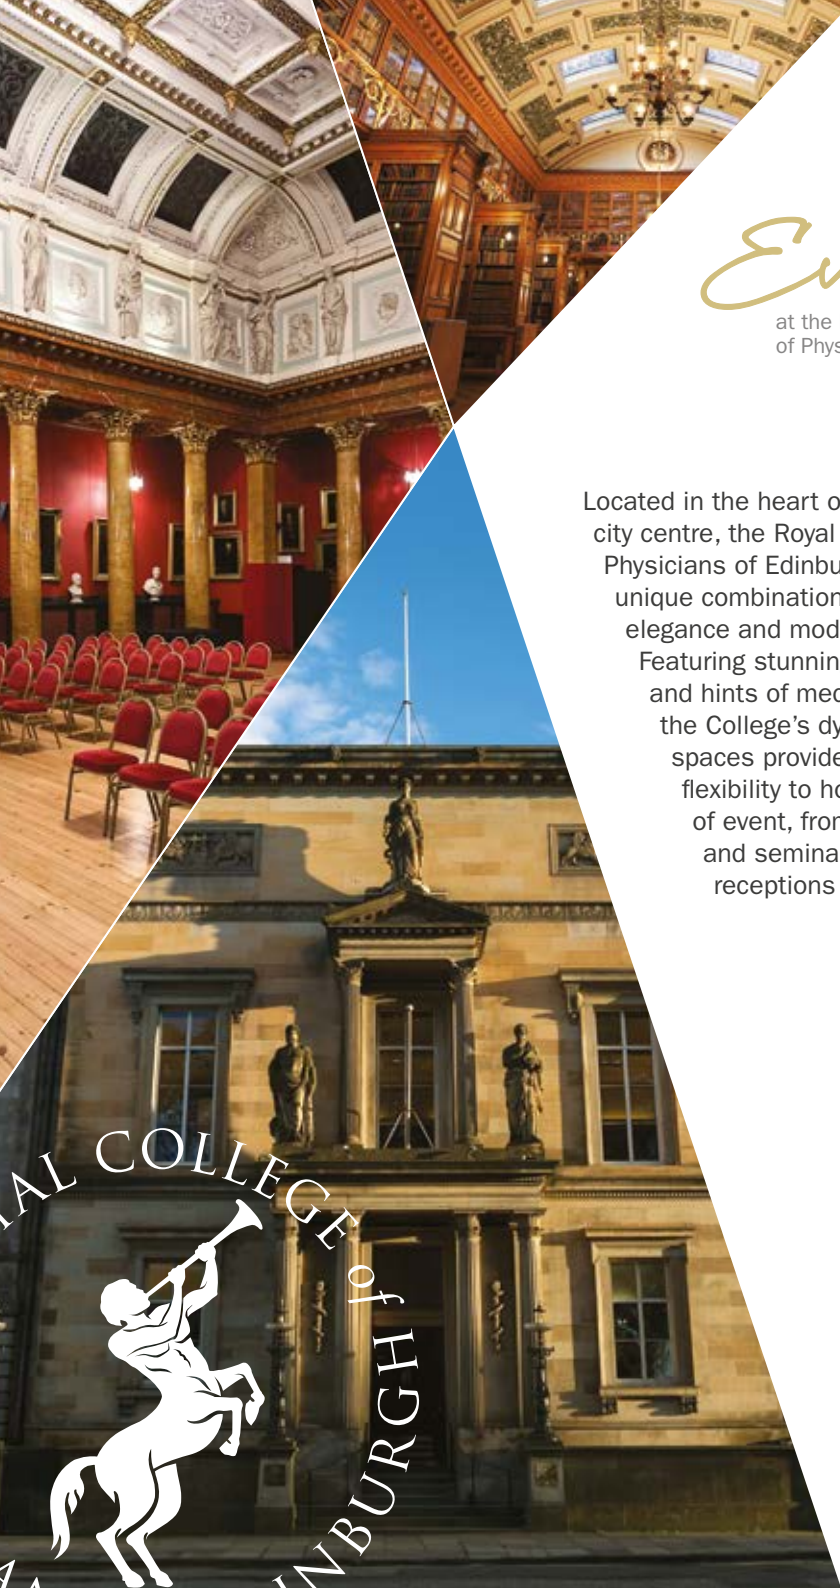

The College designs and delivers symposia and conferences in international locations, enabling our Fellows, Members and their colleagues to benefit from learning and networking opportunities across the world. In 2019–2020, we will also be holding a series of conferences in Asia for a multi-professional audience that explore solutions to global and local health issues. To see the latest events, please visit **events.rcpe.ac.uk**

If you are interested in discussing collaborative opportunities, contact Joanne Hannah (Deputy CEO): **j.hannah@rcpe.ac.uk**

Webstreaming

Many of the College's educational and training events are broadcast live from Edinburgh. Webstreams are offered at no cost to either the site or those who attend. We are keen to expand our reach even further, so if you are a College Fellow or Member and interested in establishing a webstreaming centre at a local university or hospital, please email Sophie Milton for further details: **s.milton@rcpe.ac.uk**

Events

at the Royal College
of Physicians of Edinburgh

Located in the heart of Edinburgh's city centre, the Royal College of Physicians of Edinburgh offers the unique combination of historic elegance and modern facilities.

Featuring stunning architecture and hints of medical symbolism, the College's dynamic mix of spaces provides you with the flexibility to host any kind of event, from meetings and seminars, to dinners, receptions and weddings.

ROYAL COLLEGE
OF PHYSICIANS OF
EDINBURGH

Following an impressive redevelopment, the Physicians' International Conference Centre is one of Edinburgh's largest tiered auditoriums. With the ability to host up to 300 delegates and featuring the latest technology, the Physicians' International Conference Centre is an ideal location for your next event.

11
Queen Street

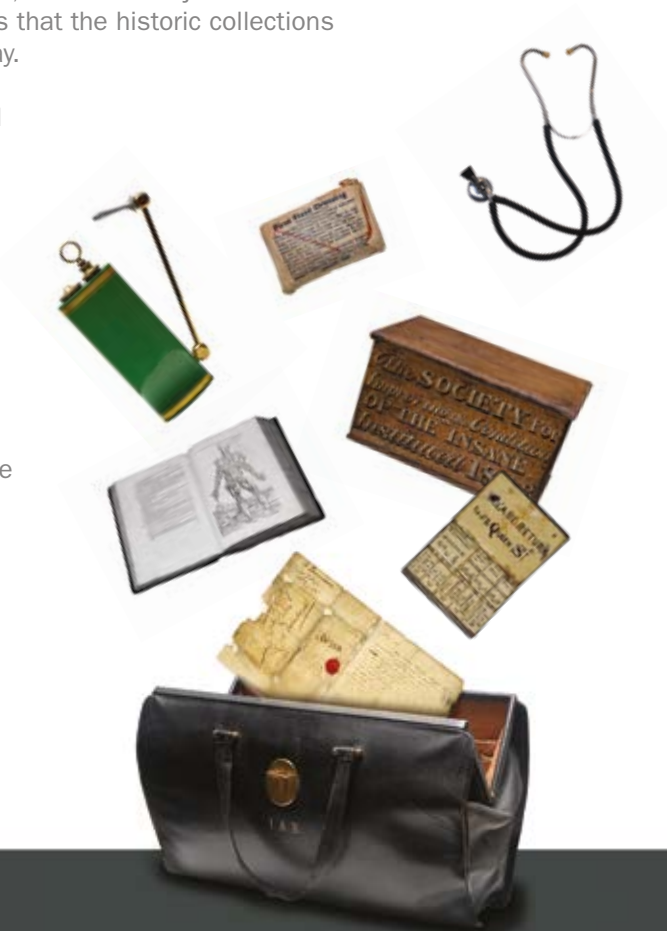

Physicians' Gallery

The College's public exhibition space located at 11 Queen Street allows visitors to delve into the fascinating world of medical history through illustrations, books and objects. This is the first time in over 300 years that the historic collections have been on public display.

Two exhibitions are hosted each year, exploring a range of medical subjects, past and present. So far, topics have included the history of alchemical practices and changing approaches to mental health treatment over the last 500 years.

Visit our website to see the latest exhibition:
