

# NATIONAL CORE SURGICAL TRAINING INTERVIEW PREPARATION COURSE

**11<sup>th</sup> January 2020**  
Clinical Education Centre  
Royal Stoke University Hospital

## Feedback

I particularly liked that the majority of the course was in mock interview format. Very relevant information given throughout. Thank you.

*BK  
Leicester Royal Infirmary, Leicester*

A really useful course. Well-organised with plenty of opportunities to practice and ask questions. The portfolio stations were very thorough. The tutors were very friendly and approachable.

*DR  
Royal Oldham Hospital, Oldham*

A superbly run course. Very useful information given, and the practice mock interviews were very beneficial. Thoroughly enjoyed it. The faculty were helpful, approachable, friendly and knowledgeable. I would definitely recommend this course to anyone applying for core surgical training.

*PC  
Hull Royal Infirmary, Hull*

This one-day intensive interview course will provide delegates with knowledge on the three stations encountered in the interview (Clinical; Management; Portfolio) through a series of lectures and mock interviews with personalised feedback. The high faculty-to-delegate ratio will give delegates ample opportunity to engage in mock interviews and allow them to gain a greater understanding of the interview process.

**Course Fee: £50.00**
