

The National Postgraduate Clinical Neuroanatomy Competition - December 2019

Want to build your specialist training portfolio?
Want to demonstrate your knowledge in
neuroanatomy?

Flex your brain cells at this friendly event for junior
doctors and for the first time postgraduate
anatomists.

University Hospital Southampton
Centre for Learning Anatomical Sciences
December 7th 2019, 9:30-15:45

Think you've got what it takes to win? **Whole day tickets available for £50**
Register at www.natneurocomp.co.uk

For the third year running this unique competition gives junior doctors a chance to set themselves apart in the competitive world of speciality training, particularly for neurology, neuroradiology and neurosurgery.

Now for the first time ever the competition is open to postgraduate anatomists who wish to demonstrate their knowledge of neuroanatomy.

The competition elements will be followed by a provided lunch, a workshop by senior clinical academics and a chance to receive feedback on competition stations.

All participants will receive certificates of attendance.

The National Postgraduate
Neuroanatomy Competition

UNIVERSITY OF
Southampton

Provisional Programme 2019

Time	Event
9:30-10:00	Registration
10:00-10:20	Welcome address
10:20-11:00	Anatomy spotter paper
11:00-11:20	Imaging paper
11:20-11:40	Coffee Break
11:40-13:00	MCQ paper
13:00-14:00	Lunch
14:00-15:30	Masterclass workshop
	Examinations feedback
15:30	Close and prize giving

Timetable is subject to minor revisions, however, date, exams and start time will remain the same.

The three elements of this competition:

- Anatomy spotter consisting of cadaveric specimens dissected by the National Neuroanatomy team.
- An imaging exam using real anonymised scans based on the learning objectives of the Royal College of Radiology Curriculum.
- A 60 part clinically orientated neuroanatomy MCQ paper.

Separate prizes will be awarded for best performance by a junior doctor and that by an anatomist.

Whole day tickets available for just £50
