INTERACTIVE CARDIOLOGY CONFERENCE 2020

Always a sell-out conference, this hugely popular cardiovascular educational event provides a unique learning experience delivered in an open, supportive, enjoyable and friendly atmosphere.

Expert chairs and cardiology opinion leaders from across the UK and Europe will present a comprehensive clinically relevant review of the latest evidence, which is shaping the rapidly changing landscape of cardiovascular medicine and the sub specialties.

Course Director:
Professor Hany Eteiba,
FRCP(Glasg),
Vice President (Medical)
Royal College of Physicians
and Surgeons of Glasgow,
President of the Scottish
Cardiac Society

Friday 13 March 2020

Venue

Royal College of Physicians and Surgeons of Glasgow

Target Audiences

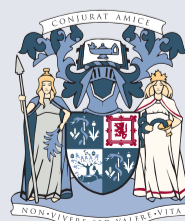

- Consultant Physicians and Trainees, related clinicians
- Cardiovascular clinical and academic researchers
- Board SMT and executives
- Government strategists and planners
- AHPs with an interest in cardiology
