

ROYAL
COLLEGE of
PHYSICIANS of
EDINBURGH

Gastroenterology

Online | Thursday 18 November 2021

Including everyone – excluding no one: how to reduce variability of care

- The burden of liver disease in prisoners and homeless populations
- Decision-making and best practice in patients with learning difficulties
- Living with inflammatory bowel disease – experience from a patient: what I wish my doctor could help me with

Remodelling delivery of care in gastroenterology as a result of COVID-19

- Liver transplantation during COVID
- Keynote Lecture: 'Lessons from the COVID era: problems and solutions' by Dr Alastair McKinlay, President, British Society of Gastroenterology

Innovation in gastroenterology

- ScotCap: Scotland's Colon Capsule Endoscopy Service
- Artificial Intelligence in liver pathology
- Updates in management of gastrointestinal bleeding

Reviewing gastroenterology practice for the aging population

- Liver disease in the elderly
- Luminal disease in the elderly

Guest speakers include:

Dr Stuart McPherson • Mr Francesco Giovinazzo
Professor Angus Watson • Professor Alastair Burt

All grades of medical, nursing, scientific staff, allied health professionals and medical students are most welcome.

An early bird discount will be available until
20 October 2021

There are full and half-day options so you can book for as much or as little of the programme as you wish.

The symposium will be on our website for 28 days after the symposium so you can catch-up or re-watch any talks in your own time.
