

JENNIFER CRAIG

Dr Jenny Craig is a facilitator for the GPSTEP.

She is a GP and Educational Supervisor at Fyvie Oldmeldrum Medical Group in Aberdeenshire. In addition, she is a Training Programme Director for the Grampian GP Training Programme and holds the role of Associate Advisor (ES Support) for the North Region.

She has been part of the facilitator team for STEP since her appointment to the ES support role in 2018 and joins the team as a presenter in 2021. In both her TPD and AA roles she plays an active part in supporting trainees through all aspects of the GPST training programme.
