Dr Milne is a facilitator for GP STEP

She is a Salaried GP in Aberdeenshire and also a Training Programme Director in Grampian.

Although originally from Aberdeenshire, she has worked across the UK and abroad. Dr Milne remembers how difficult it can be when you move to a new Country/health system.

“I feels privileged to be part of an induction programme aimed at ensuring our IMG trainees feel welcome, supported and empowered to be successful in their training’.
