NHS Lothian SAS Educational Event

28 January 2022 | 14:00 to 16:15

via Microsoft Teams

Offered by the SAS Development Programme
and Lothian SAS Committee (LASASC)

CPD points are being applied for

Programme Overview

We've organised the following topics for this event:

- **14:00 to 14:05: Welcome and Introduction**

Dr Lynne Meekison, Associate Postgraduate Dean and Operational Lead for the SAS Programme & Education Adviser for NHS Lothian

- **14:05 to 15:35: Active Bystander Training – [Click here for more info](#)**

'Active Bystander' is an innovative and award-winning training session which is being rolled out in NHS Boards. It provides skills to challenge unacceptable behaviours, including those which may have become normalised over time.

- **15:35 to 16:15: SAS relevant topic (we are all hoping this will be a SAS contract update!)
(details and speaker will be confirmed when contract updates available)**

The event will be chaired by Dr Lynne Meekison, Associate Postgraduate Dean and Operational Lead for the SAS Programme & Education Adviser for NHS Lothian
