

**Logbook for Laparoscopic Simulation Skills**

This is a suggested logbook for the skill exercises that have been described in the Laparoscopic Simulation Training Manual. The use of this logbook is not compulsory but has been designed to allow you to evidence your personal training that can be uploaded to your ePortfolio. At the end of this document are some blank tables for you to fill in with your own exercises.

Logbook for Laparoscopic Simulation Skills

Task 1: Instrument Navigation						
Route	Number of Stations	Which Hand?	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Task 2: Moving Beads					
Number of Beads moved	Which Hand?	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Logbook for Laparoscopic Simulation Skills

Task 3: Stacking Sugar Cubes					
Which hand?	Number of Sugar Cubes	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Task 4: Bagging Beads					
Number of Beads moved	Which Hand?	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Logbook for Laparoscopic Simulation Skills

Task 5: Placing Polos on a Post					
Number of Polos	Which Hand?	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Task 6: Threading Loops				
Which direction (Clockwise or anticlockwise?)	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Logbook for Laparoscopic Simulation Skills

Task 1: Transferring Polo Mints					
Number of Polo Mints	Which direction – L→R or R→L?	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Task 2: Precision Cutting					
What shape?	Which Hand?	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Logbook for Laparoscopic Simulation Skills

<b>Task 3: Place Beads onto Toothpick</b>					
Number of beads	Which Hand?	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

<b>Task 4: Peel and Segment a Satsuma</b>					
Time taken to Peel whole satsuma	Time taken to split segments	Proportion of segments pierced (x/y)	Video recorded (y/n)	Assessor feedback	Reflections

Logbook for Laparoscopic Simulation Skills

Task 5: Peel a grape or Brussel Sprout				
Skin removed in 1 piece? (y/n)	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Task 6: Unwrap a Sweet				
Wrapper removed whole?	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

Logbook for Laparoscopic Simulation Skills

<b>Task 7: Untwist a Liquorice Stick</b>					
Number of Sections removed	Which Hand?	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

<b>Task 8: Salpingotomy and Salpingectomy</b>				
Time Taken - Salpingotomy	Time Taken - Salpingectomy	Video recorded (y/n)	Assessor feedback	Reflections

<b>Task 1: Loading the Needle</b>				
Technique used	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

<b>Task 2: Suturing a Sponge</b>					
Number of bites of sponge	Sponge intact? (y/n)	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

<b>Task 3: Knot Tying</b>				
Knot performed	Time Taken (seconds)	Video recorded (y/n)	Assessor feedback	Reflections

<b>Task 4: Backhand Stitch</b>					
Time taken to load needle	Number of bites of sponge	Sponge intact? (y/n)	Video recorded (y/n)	Assessor feedback	Reflections

Logbook for Laparoscopic Simulation Skills

<b>Task 5: Ovarian Cystectomy</b>					
Time Taken for cystectomy?	Cyst intact? (y/n)	Time taken to suture ovary	Video recorded (y/n)	Assessor feedback	Reflections

Logbook for Laparoscopic Simulation Skills

Task :						
				Video recorded (y/n)	Assessor feedback	Reflections

Task :						
				Video recorded (y/n)	Assessor feedback	Reflections

Logbook for Laparoscopic Simulation Skills

Task :						
				Video recorded (y/n)	Assessor feedback	Reflections

Task :						
				Video recorded (y/n)	Assessor feedback	Reflections
