

## **JOYCE QUIN**

### **CPD Connect Admin Coordinator**

I joined NES in 2017 as a Training Administrator, primarily organising CPD for General Practice staff. During lockdown 2020 I took on this new role, which I share with my colleague Catrina Gordon. Together we support the GP Retainer Scheme for the West of Scotland and administer the GP Peer Review Consultations process. If you have questions about either of these areas, please do get in touch.
