

Foundation Turas Training Portfolio

Release Notes

02/12/2021

e-TAG change requests (CR2-4)

- **Medical Foundation - Split Mandatory Learning by Grade (Trainee View)**

Medical Foundation trainees now have their mandatory learning logs split between grades similar to the Admin/Educator view.

There is a separate tab for FY1 or FY2 trainee with a table for core and non-core learning logs for each grade. The date entered for 'Learning date' will determine what tab the learning log is displayed.

There will be a separate tab for each grade, showing a table for core and non-core for each tab with the total of each displayed.

Mandatory Learning Log

- ALS/ILS
- Tasters (but you may wish to record your Taster experience as a reflection or via the Taster form and link this to your curriculum)
- BMA/trade union type meetings
- Employer delivered statutory training
- Ward rounds/clinics and other regular on-the-job activities

[Add Learning Log](#)

Mandatory Learning Log Summary

FY2 FY1

Core Mandatory Learning Log (3 hrs 15 mins)

Learning Date	Title	Learning Setting	Number Of Hours	Actions
25/11/2021	test	Schwartz Round	3 hrs 15 mins	Actions ▾

There are no Non-Core Mandatory Learning Logs.

No other functionality has been changed to the Mandatory Learning Log, trainees can still link to curriculum and update as required. **Please note:** If the date was updated to a date within the different grade dates this would move to the appropriate tab.

- **Medical Foundation – Updates to Clinical Supervisor End of Placement form and Combined End of Placement form**

Updates have been made to both the CS end of Placement form and Combined End of Placement forms. The updates include:

- Completed PSG summaries are now able to be viewed in a separate window (as per the summary narrative)
- Comments are now mandatory for each of the three HLO sections regardless of what rating has been selected.
- The PSG summaries and summary narratives are now available to be opened on view selection.

PSG Summaries available under ‘Add Individual’ button and new tab can be opened to view (Go back button also removed in new tab)

The following individuals from the trainee's placement supervision group contributed to this end of placement report:

Name	Job Title	Grade	Action
Add Individual			
PSG Summary Created On			Action
26/11/2021			Details

If PSG summary has been opened in new tab the go back button has been removed at bottom of the page as this additional window should be closed and should return to original window to complete the form so no information is lost.

TURAS is developed by 

Comments are now mandatory for each HLO section and wording has been updated to reflect.

Higher Learning Outcome 1

HLO 1: An accountable, capable and compassionate doctor *

No Concern ▼

[Further information...](#)

Please provide a comment to support and justify the assessment rating for HLO 1 of the FP Curriculum 2021. Particular attention should be paid to highlighting any areas of excellence or areas of concern that may require educational support. Please be as specific as possible. Comments are mandatory. *

If you have selected 'Some Concern' or 'Major Concern', please specify ratings for each of the Foundation Professional Capabilities (FPCs) within this section of the curriculum.

Overall Assessment

How has the trainee performed in this placement? *

No Concern ▼

Please comment on this trainee's overall performance in this placement: *

Does this trainee satisfy the expected outcomes of this placement, at this stage of training? *

Yes No

Please Note: The above changes have been made in both forms.

- Medical Foundation – PSG Individual Feedback Form

As per the end of placement forms, the individual PSG Feedback form has now also been updated to ensure that comments are now mandatory no matter what rating is given.
