

Abstract submission and Registration Now Open

17th Glasgow Paediatric Research Day

Friday 6th November 2026

***Teaching and Learning Centre, Queen Elizabeth University Hospital &
Royal Hospital for Children, Glasgow***

The Glasgow Paediatric Research Day is a **free** annual event which provides an excellent opportunity to showcase research activity in paediatrics and child health across Glasgow and the whole of Scotland

Hosted by: Dr Louisa Pollock, Consultant in Paediatric Infectious Disease, Royal Hospital for Children, Glasgow

Invited speakers: Dr Kimberly Marsh, Viral Pathogens Lead (Acting), Infectious Respiratory Disease Team, Public Health Scotland
Dr Helen Brotherton, Consultant Paediatrician and Neonatologist, NHS Fife

Abstracts are invited from early career clinicians and researchers, undergraduate/postgraduate students and allied health professionals for either an oral or poster presentation **on any aspect of paediatrics**

- [Click here](#) to submit an abstract for oral presentation or poster
- [Click here](#) to register your free place with Eventbrite
- Application pending with the RCPCH for CPD in accordance with current RCPCH CPD guidelines
- Prizes for best oral and poster presentations
- Light sandwich lunch included
- Certificates of attendance provided on completion of short feedback survey
