ARCP Checklist

- Absence declaration – [link here](#)
- Soar declaration [link here](#) [This requires Ed supervisor sign off]
- Adjusted ARCP requirements for COVID. [Link to 2020 version](#)
 - Educational supervisor report on Kaizen
 - Evidence of attending teaching
(Friday Teaching, Grand Rounds, Departmental teaching)
 - Evidence of resuscitation experience (if APLS/NLS expired)

***** Deadline is 18th May *****

For some there have been system issues creating a second PDP. Please make sure you note this on the end of year educational supervisor report e.g. "Due to Kaizen issues, unable to create PDP form for this placement."

Please make sure Carol Leiper has your up to date NHS email address. You should have received a reminder email from her last week.

Emails and Teams

Medical Education Directorate (MED) have taken issues with emails and Teams directly to eHealth. eHealth have recognised the significant difficulties and shortcomings of the migration. They are trying to address changeover issues.

There is short term solution to multiple email address unfortunately. However long term everyone will eventually migrate to @nhs.scot which will ultimately solve issues with moving between NHS healthboards, Teams and also access to NHS Scotland contact lists.

For more information see the IT update on the [MED website](#).

Royal Hospital for Children and Young People

Cycling to Work

To get access to the blue bike cages go to the Parking desk besides M&S [main concourse of RIE], show your ID and you will be given a code for the storage unit.

Teething problems

There is efforts being made to improve access to scrubs and lockers as well as computers for specialty registrars.

Well done to everyone involved in the move to Little France!

Let us know what's going well and what could be improved!

Lap The Map

Join Team Edinburgh!

Lap the map is back!

This was great fun last year – you don't need to be a marathon runner, any mileage counts walking or running! And it's all for a great cause.

Get your clinical team together to see which team wins! ARU already have a strong team, but PICU are a formidable force to be reckoned with!
