Junior Trainee Representative Opportunity – Apply Now!!

Abi has chosen to step down as Junior Trainee Rep. opening up a great opportunity for someone else to take over!

If you are currently an ST1-ST4 and interested in this excellent opportunity then please apply by sending 200 words on why you'd like to be a rep and what you can bring to the role, to abigail.buckle@nhslothian.scot.nhs.uk. These will be anonymised and the new rep selected.

Deadline 30th April.

If you would like more information about the role before applying please contact Tim or Abi .

Education and Training

Scottish Paediatric Society 2021 Summer meeting.

This virtual event is FREE this year and being held on Friday 4th June!

Although we can't travel much at present, it's a good time to remind you all about the [SPS Travel bursary](#):

PGCert in Child Health

Just to highlight this Postgraduate certificate run by Glasgow University and NHS Education for Scotland.

Trainees from other areas of Scotland already enroll. A lot of the content is taught by our own consultants, who provide the same lectures in our Friday teaching.

However the opportunity is there for those who wish, and study budget can be used.

Thanks to Abi

Sadly, Abi is stepping down as Junior Trainee Rep for very exciting, baby related reasons. She has quickly taken to her role, providing valuable feedback as well as support to the trainees.

She'll be missed!
