RCSEd and Medtronic Surgical Skills Competition 2023/2024

CALLING ALL MEDICAL STUDENTS IN THEIR FINAL YEAR!

Stretch your surgical skills by competing against your peers from across the UK. The College and Medtronic have worked together to create two brand new challenges in the form of an online quiz and a skills box, which will be sent to the highest marking students from each medical school. All competition registrants will also receive complimentary affiliate membership with RCSEd.

So what are you waiting for?! Sign up for the RCSEd and Medtronic Surgical Skills Competition 2023/24 and learn some vital skills which will benefit you wherever your medical career takes you.
