## **NHS GG&C and GJ SAS Lunchtime Learning Event: Job Planning**

PSD Scotland's SAS Development Programme are pleased to announce this online lunchtime learning event on Job Planning. This free-to-attend event is for SAS grade doctors and dentists in NHS Greater Glasgow & Clyde, Golden Jubilee National Hospital and Glasgow-region PSD Scotland.

Job Planning is an integral part of the SAS contract in Scotland and is an area BMA members frequently request advice and assistance with. This one hour session takes a comprehensive look at the process of job planning, flags common issues and touches on service planning within the department. Suitable for all SAS doctors and open to both members and non-members of the BMA. Also relevant to SAS dentists.

This session will be delivered by Fiona Logan, Senior Employment Adviser, BMA chaired by your local SAS Education Adviser team, Drs Gary Manson, Mun Woo, and Narmadha Kali Vanan.

Certificates of attendance with PSD-recommended CPD points will be issued to attendees after the event.
