

SAS Dento-legal webinar: Adults with Incapacity Friday 25th September 2026

Fri 25th Sept 2026, 13:00-14:00

Online via MS Teams

**Open to SAS-grade dentists, oral and
OMFS surgeons in NHS Scotland**

[Click here to register your place!](#)

This webinar is offered by the SAS Development Programme specifically for Specialty, Associate Specialist and Specialist grade dentists in NHS Scotland. David Lauder of the Dental Defence Union will be joining us to provide guidance on interacting with adult patients who may have limited capacity for decision-making, including Q&A time.

By the end of the session, delegates should have an understanding of consent and how capacity may be assessed and documented, while also appreciating the GDC standards and legislation relevant to adults with incapacity in Scotland.

Certificates of attendance with PSD Scotland-recommended CPD points will be issued to delegates after the webinar. For any queries, please contact SASDevelopment@nes.scot.nhs.uk.
