Undergraduate

- Score less than 0
- Score 0 to less than 0.55
- Score 0.55 to less than 1.55
- Score more than or equal to 1.55
- No results available

Notes

This report utilises the Scottish Student Evaluation Survey. "Number of respondents" is the total responses received; the number of responses received for some questions may be significantly fewer. Results are shown regardless of the number of responses available. Figures in brackets are the potential number of respondents. If no prior data is available the cell is blank. Scores are calculated based on Universities' scoring scales converted to Likert scale of between -2 and +2. Trend data: ▲ indicates an improvement in the flag from the previous year, ▼ a deterioration and — no change.
