Royal College of Physicians of Edinburgh

Respiratory Medicine at the Front Door

Thursday 23 April 2026

09:25 – 16:30

Online

Sessions will focus on:

- Respiratory conditions commonly seen in the emergency department or acute medical admission unit: primary spontaneous pneumothorax, asthma
- Updates in the bronchiectasis world: cystic fibrosis & non-CF bronchiectasis
- Updates on thoracic surgical treatment and systemic therapy for lung cancer
- Simulation training in respiratory medicine

Call for Abstracts - Resident Doctors

Last year's popular Resident Doctors' session is back! Submissions are invited from doctors in training (non-Consultant) in any specialty, focussing on an interesting case in respiratory medicine. Successful applicants will be invited to present their case as a 20-minute talk.

Deadline: Monday 2nd March 2026.

Further details and submission form:
<https://forms.office.com/e/reLc4WfeR4>

All grades of medical, nursing, allied health professionals and medical students are welcome to attend.

Catch-up is available to registered delegates, full details on the website.
