HOW TO VIEW CORE (MANDATORY) AND NON-CORE (ADDITIONAL) LEARNING IN THE PORTFOLIO

Step 1

Once logged into Turas, select the Portfolio application from your Turas Dashboard

The screenshot shows the TURAS Dashboard interface. At the top, there is a header with "TURAS | Dashboard" on the left and "Applications ▾ Ginny Weasley ▾" on the right. Below the header is a dark grey bar with "Home". The main content area has a blue background with the NHS Education for Scotland logo on the left. The text "Welcome to TURAS" is followed by a paragraph: "Turas is NHS Education for Scotland's (NES) new single unified digital platform for health and social care professionals. From here you can access all your NES applications with a single secure sign on. Our aim is to provide you with the information and resources you need to support you throughout your career in the public sector." Below this is the text "For people working in health and social care". To the right is an illustration of a laptop and a tablet. Below the main content area is a section titled "Applications" with a subtext: "This is your dashboard. You can access all your applications from here." and a link "+ Add Applications". There are four application tiles: "Learn", "Portfolio" (highlighted with a yellow border), "Training Management", and "Professional Portfolio". At the bottom, there is a footer with links for "Accessibility", "Privacy", and "Terms and Conditions", the copyright notice "©2019 NHS Education for Scotland", the version number "3.0.28.93", and the text "TURAS is developed by NHS Education for Scotland".

Step 2

You will be taken to Educator Homepage.

- Select the trainee you wish to view.

The Additional Learning section currently shows Core and Non-Core Learning which has been recorded by the trainee in their Portfolio. You can also View the learning the trainee has uploaded.

This view will change in the next few months and will show Teaching Type (Core or Non-Core), the hours and minutes as well as the cumulative totals. F1 and F2 Teaching/Learning will be split.

Step 4

Select the ARCP Evidence Tab and scroll to Additional Learning

A screenshot of a web application interface. At the top, there's a tab labeled "Additional Learning". Below it is a table with two columns: "Learning Type" and "Number Of Hours". The table has two rows: "Core" with a value of "264.84" and "Non-Core" with a value of "111.88". Below the table is a green button labeled "Go Back".
